

Luxury Vans & Off-Road Trucks

GMC

Waldoch is a nationwide **GMC** and **CHEVROLET** approved specialty vehicle manufacturer. We specialize in building unique packages to fit the lifestyle of each consumer.

WALDOCH OFF-ROAD TRUCKS

Our mission is simple: We think traveling should be fun.

Travel is a necessity, but it doesn't have to feel like one. We all know what's happened to the commercial flying experience over the years, so why shouldn't America's roads provide the safest, most comfortable, most luxurious experience imaginable?

That's the question Donald Waldoch asked himself nearly 40 years ago, and that same spirit drives us to create the most innovative custom luxury and conversion vans on the road today. Since the days of bell bottoms and disco balls, we've manufactured vans and trucks worthy of not only quality awards from Ford and GM, but something even harder to earn: happy, returning customers. We've done it by focusing on one thing: Giving you a vehicle that fits your personality, needs, and lifestyle—and making every trip memorable.

ABOUT WALDOCH

NTEA's Member Verification Program (MVP) recognizes eligible companies in the work truck industry for outstanding business practices and successful implementation of quality standards.

**Life is a journey.
Why not make
it yours?**

“The Rampage Package combines rugged styling, enhanced comfort, and custom craftsmanship to create a vehicle that stands out wherever it goes.”
